

St Nicholas Primary School

PE and Sport Premium 2017-2018

At **St Nicholas Primary School**, we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding until 2020 to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools has been calculated by the number of primary aged pupils (between the ages of 5 and 11). All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £475 per pupil.

Total amount of grant received by St Nicholas Primary School for 2017/2018	£17.750

What does the Sport Premium mean for our School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013). At **St Nicholas Primary School** we consider the three key areas are; Physical Education, Healthy Active Lifestyles and Extra-curricular and Competitive Sport. We have decided to use the Sport Premium Grant to support these areas:

Physical Education Raising the standard of teaching and learning in PE
