Head of School: Mrs S Leaf

25th June 2020

Dear Parents/Carers

As we move towards the end of the academic year, I just wanted to convey my thanks to many people.

Firstly, to the all the staff, who have been amazing over these unprecedented times. They have worked so hard to adapt to the new ways of teaching and have come to school throughout the pandemic, even throughout the holidays, without any complaints. The site staff have ensured that the building remains safe, by carrying out all the statutory safety checks and implementing all the new cleaning protocols to keep us all healthy. The admin staff have kept the school organised by continuing to answer the phone, contacting parents, paying the bills and purchasing all the stock and PPE for the wider reopening that occurred on 1 June. Everyone has had such a supporting and positive attitude; it has been a real pleasure to work with them all.

Thank you also to the parents and children for sending us your good wishes and for completing the work we have sent out. The photos and reports you have sent us have been very exciting and encouraging. Those children that are back in school, and we have about 30% of the pupils in school, have been amazing at taking on board our new procedures and protocols. We are very proud of them!

We have written the usual annual reports to parents and these are in line with new guidance from the DfE. These will be emailed out around the 10 July.

Unfortunately, we will not be able to end this year with our usual celebrations and events. Nor will we be able to let children work with their new teacher, in their new classroom in preparation for a smooth start to the new academic year.

Mrs Chatfield will be leaving the St. Nicholas family at the end of the year to take up a position leading an ASD resource base at another school. We are very sad to lose her, but know that she will be as impressive and as efficient there, as she has been for us. I would like to take this opportunity to thank her for her dedication and support for all the children, parents and staff at the school. She has been an asset to St. Nicholas and we will miss her.

Miss Middleton will take up the role of Special Education Needs Coordinator and Mrs Chatfield has already started to train her up! We have appointed Miss Dale to teach in Year 1. Mrs Girtchen remains absent from school; we miss her so much, but can report that she continues to make good progress with her treatment. Staffing for next year is as follows:

**Humber Education Trust is an exempt charity regulated by the Secretary of State for Education.**

It is a company limited by guarantee registered in England and Wales (company Number 08682547) whose registered office is at c/o Bude Park Primary School, Cookbury Close, Hull, HU7 4EY
