Head of School: Mrs S Leaf

18th September 2020

Dear Parents and Carers

Change to Risk Assessment

Many thanks to all the parents and carers who have been so supportive over the full reopening of the school. Many of you have expressed your thanks or offered some suggestions and we are very grateful for this. Our full risk assessment is available on our school website:

www.saintnicholasprimary.org.uk

The children have settled back into school really well and we are very proud of them. Class teachers are writing year group newsletters and these will be with you next week.

There is a change to the school's risk assessment from Monday 21st September. We do revise the RA all the time. However, this is a major change, so I am writing to inform you of this adaptation. The Hull Learning Partnership, in conjunction with Hull City Council's Public Health Team, have agreed that in Hull, the use of face coverings will be expected in the following situations:

Primary schools for staff and visitors:

- **Indoor communal spaces, such as staff rooms where 2m social distancing between adults is not in place or is challenging, with the exception of classrooms and when eating/drinking.**

For St Nicholas, this means that when all staff are in corridors, staff rooms (except when eating or drinking) and other shared spaces, they will wear a face covering. This does not apply to staff when they are teaching in their class 'bubble'.

Many thanks for your continued support.

Mrs L Staines
