Year 3 Newsletter - Autumn 2024

Year Three have settled in amazingly! I would like to say thank you for your support during our first couple of weeks. We have had a wonderful week settling in and getting stuck into the Year Three curriculum!

Our history unit this term is the 'Stone Age', which we are all really excited to learn about! As scientists, we have started our 'Movement and Nutrition' unit. We have explored types of joints in the human body and discussed human skeletons. In writing, we have used 'The Sheep-Pig' by as our stimulus. The children have produced wonderful setting and character descriptions, whilst applying their Year 2 knowledge and new Year 3 grammar outcomes. We have continued to be super mathematicians from Year 2 and we have been working with counting and identifying hundreds up to a thousand. Again, all children used their prior knowledge to support them! It has been great to see some children using Times Table Rockstars already!

General Information

PE - This term, the children have their PE lessons on a Wednesday afternoon. This will be an outdoor and an indoor session. Please can we make sure the children are wearing the correct PE kit and suitable shoes. Indoor PE kits are white t shirt and black shorts. As the weather will be getting colder please also provide your children with an outdoor PE kit of long PE trousers, a jumper or hoody and trainers.

Home reading - Children need to continue to read at home. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, if they read books that they have selected

independently, or news articles that they have found interesting, then we want to hear about it. The children will receive their home reading book on Fridays, for them to be safely returned on the following Thursday.

Homework - Extra homework challenges will be sent home in a homework book. These are to last the term and are to be completed at your pace. If your child wishes to bring these into school to show an adult, they are welcome to do so.

Thank you for your continued support.

Miss Millett and the Year 3 team
