Welcome Back!

Happy New Year and welcome back to school! It's been wonderful to see all the children returning with big smiles, ready to learn. They have settled in brilliantly after the Christmas break and are already working hard in their lessons. We're looking forward to an exciting term ahead!

School Timings & Punctuality

A little reminder about the importance of arriving at school on time. The school day begins promptly at 8.50am, doors opening at 8.45am, and arriving late can mean missing out on key learning at the start of the day. Being on time helps children settle quickly and get the most out of their lessons. Thank you for your support in ensuring a smooth and punctual start each morning.

Year 5 Tuck Shop – Make £5 Blossom!

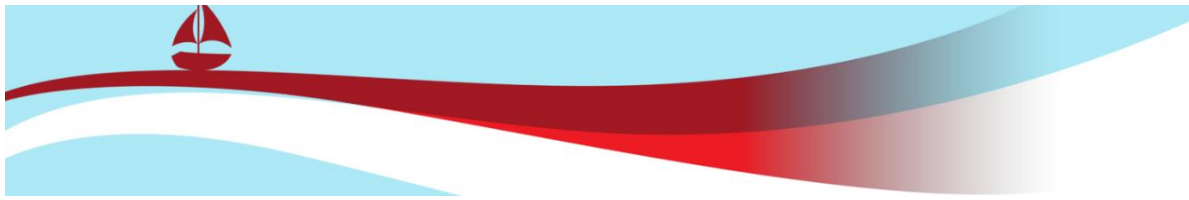

Our Year 5 pupils are taking part in the **Make £5 Blossom** project, where they will learn valuable business skills by trying to make a profit from their initial investment. They have chosen to run a Tuck Shop every **Friday at 10:45am**. Children can bring a **maximum of £2** to spend on a range of snacks. We can't wait to see how successful their enterprise will be!

Playground Donations Wanted

We are still looking for donations to help revamp our playground! If you have any unwanted **LEGO, small world toys, fancy dress costumes, or board games**, we would love to give them a new home. Your generosity will help create a fun and engaging play space for all our children. Thank you in advance for your support!

NHS Pharmacy First Service

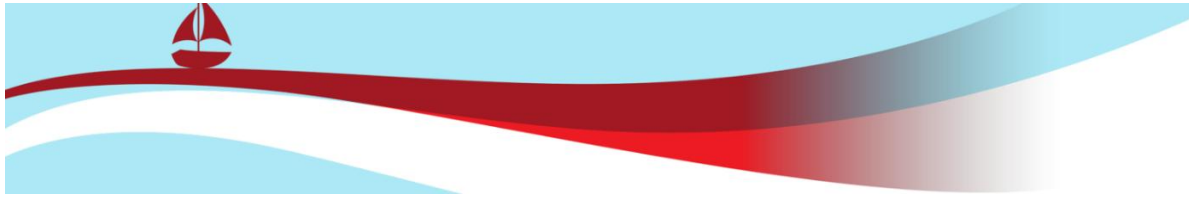

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may help children feel better and be back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service. There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service. Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

Common condition	Patient eligibility
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over

*NHS Pharmacy First Service: In pharmacies in England only. Subject to availability. Treatment is subject to suitability assessment. Normal NHS prescription charge rules apply.
