

Safeguarding Newsletter – Summer Term 2025

Welcome to our latest edition of the Newsletter from the St. Nicholas Primary School Safeguarding Team. We aim to bring you all the latest, relevant help and advice we feel will be of importance to you.

Safeguarding & Child Protection is of paramount importance for the children of St. Nicholas that we have decided to have a termly newsletter that shares key information and advice with parents and carers, so that we can all work together with the same aim of keeping children safe in school, at home and in the wider community.

PSHE Curriculum

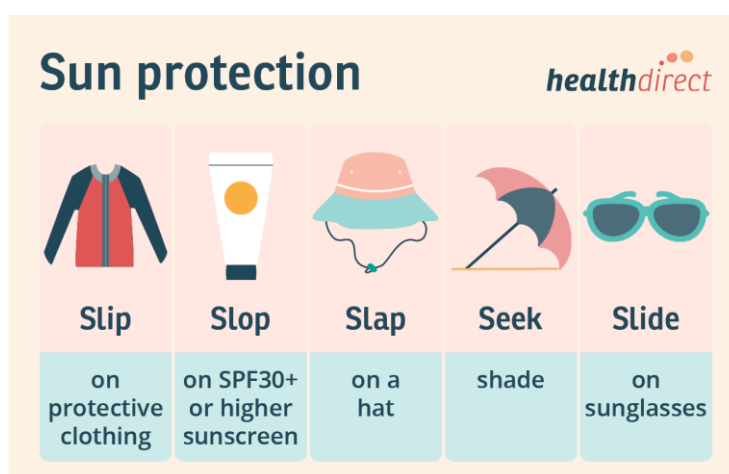

Our two units this term are '**Relationships**' and '**Changing Me**'. From September 2020, Relationships and Health Education became compulsory in all primary schools in England. For primary aged children this includes curriculum content under two headings (DfE 2019): Relationships Education and Health Education.

"Today's children and young people are growing up in an increasingly complex world and living their lives seamlessly on and offline. This presents many positive and exciting opportunities, but also challenges and risks. In this environment, children and young people need to know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way." (DfE, 2019, Relationships Education, Relationships and Sex Education and Health Education)

In Y5 and Y6, they will receive a workshop with our local nurse team. We will be holding a RSHE parent Workshop on Thursday 5th June at 2.45pm, all parents are welcome.

Sun Safety

Throughout this term, we are likely to face warmer weather. Please can you ensure your child brings a labelled water bottle, sun hat and has applied sun cream when necessary. Sun cream can be brought in with a name clearly labelled. This will then be kept in their classroom cupboard.

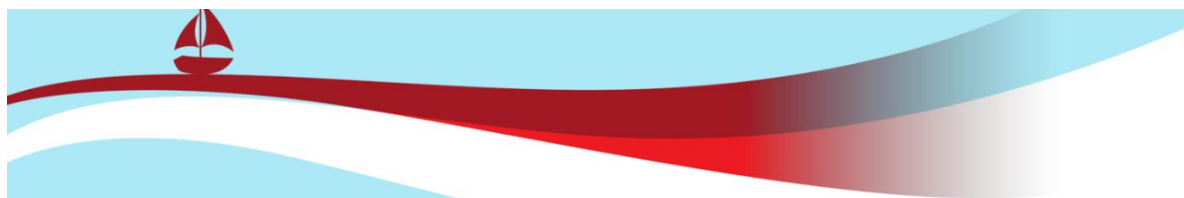

NSPCC – Speak out. Stay safe.

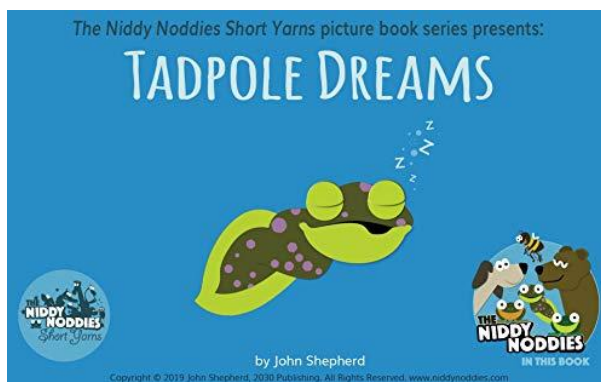

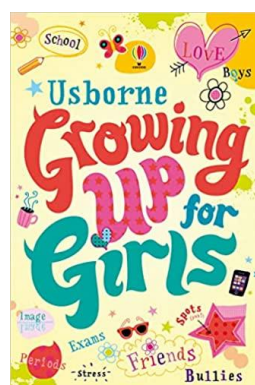

We are still participating in the NSPCC's Speak out. Stay safe. online programme. Which consists of an online assembly and supporting classroom-based activities. Speak out. Stay safe. is a safeguarding programme available to all primary schools in the United Kingdom. It aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly, interactive way.
