The children have had a fantastic start to the Summer Term and have worked very hard in all areas of the curriculum. They have been fantastic scientists and loved identifying and classifying different leaves from the schoool grounds. In science, we have been learning about plants and the children have enjoyed planting their very own sunflower and watching it grow over time.

In Writing, they have been learning about 'Elmer' and have enjoyed building simple sentences about the characters in the book. Their handwriiting and spelling has developed hugley throughout the year and we are very proud of their achievments.

**PE** - This term, the children have their PE lessons on a Wednesday afternoon. The children have both an outdoor and indoor session on this day. Please provide your child with a plain white T-shirt and some black shorts, along with appropriate footwear.

Home reading - Children need to continue to read at home as part of the home school agreement. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, if they read books that they have selected independently, or news articles that they have found interesting, then we want to hear about it. The children will receive their reading record and phonics book on Friday for them to be safely returned on the following Thursday.

Thank you for your continued support,

Miss Barton
