Year 3 Newsletter - Summer 2025

Year 3 have had an excellent start to summer term and have come back to school eager to learn and ready for our final half term of Year 3!

Our history unit this term is 'What was important to ancient Egyptians', which we are enjoying learning about! As scientists, we have been looking at plants and setting up different experiments to see what plants need in order to survive. In writing, we enjoyed Rescue at Seal Bay as our stimulus, writing persuasive posters, tourist information leaflets and information texts. We have continued to be super mathematicians and we have been working on money and have started our new unit on time. Again, all children used their prior knowledge to support them! It has been great to see some children continuing to use Times Table Rockstars!

PE - This term, the children have their PE lessons on a Monday afternoon. This will be an outdoor and an indoor session. Please can we make sure the children are wearing the correct PE kit and suitable shoes.

Home reading - Children need to continue to read at home. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, if they read books that they have selected independently, or news articles that they have found interesting, then we want to hear about it. Once the children have read their book, they need to return it to school with the reading record for it to be changed.

Thank you for your continued support.

Miss Millett and the Year 3 team
