We are really enjoying Summer Term in Foundation Stage, with lots of opportunities to be outside to learn. They have loved planting and our gardening area is looking great. Children have enjoyed having the Chicks in school and have learned so much about life cycles and caring for pets whilst they have been here. This half term we will be getting caterpillars and watching them turn into a chrysalis and then a butterfly. Our reading mastery and curiousity carpet is as follows for the Summer term.

Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13
Life Cycles- butterfly (Science)	Magnets (Science)	Hull/Africa	Food – Healthy eating (Science)	Van Gogh (Art)	Everyday materials (Science)	Weather/ Seasons(Science/ geography)	Artefacts (History)
The very hungry caterpillar	Magnets stick together (STEM)	Handa's surprise	Oliver's vegetables	Camile and the sunflower	Grannies quilt	The wind blew	The Jolly Postman

Uniform- Please make sure all uniform is labelled with your child's name. We have a number of red cardigans and jumpers with no name in them. If you see the box outside the classroom door, please have a look if you are missing any.

Warm Weather - As the weather gets warmer please ensure that your child is sent to school with a named water bottle so that they can keep hydrated throughout the day. On sunny days, please ensure that you have applied suncream on your child before they come to school. Your child can then bring their suncream to school to apply themselves during the day if necessary. {lease label it with your child's name.)

William's Den- We are very much looking forward to our school trip to William's Den this week. Please pack a spare pair of clothes and a packed lunch for your child as well.

Phonics - Your child will be assessed again for their phonics in preparation for Summer 2. Please can you ensure they are brought back into school each Friday to be changed and you practise these at least 3 times a week at home to support your child.

Thank you for your continued support,

Mrs Derrick
