

Year Two Newsletter

Welcome to Year 2!

The children have all settled in amazingly and have got back into the routine well. We are enjoying reading our class text 'The Dinosaur Department Store.' Learning about the human and physical features of the countries in the UK, in Geography. In History, we are looking into the past and exploring what life was like for children in a Victorian classroom, comparing similarities and differences. In maths, we have been looking at place value and have been looking at numbers within 100. We have also enjoyed studying our new artist, Vincent Van Gogh. The children are all looking very smart, have been very well behaved and have showed me an excellent attitude to their learning. I am looking forward to watching them flourish throughout the year.

General Information

PE – This term, the children have their PE lessons on a Monday afternoon. The children have both an indoor and outdoor PE session on a Monday. As towards the end of the term the weather will be getting colder, please can you provide your child with warm PE kits such as long PE trousers and a jumper. PE kits are white t shirt and black shorts, warm clothing for colder weather and an appropriate change of footwear. The children can leave their kits for a half term and then take them home after that to be washed.

Home reading – Children need to continue to read at home as part of the home school agreement. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, if they read books that they have selected independently, or news articles that they have found interesting, then we want to hear about it. We do encourage children to read their Rad, Write, Inc. books as this will help improve their fluency. The children will receive their reading record and home reading book on Friday for them to be safely returned on the following Thursday.

Key Dates

Victorian day – Thursday 4th December

Thank you for your continued support, Miss Dale
