

## Year Two Newsletter

Welcome back!

We hope you all had a wonderful Christmas break. The children have settled in beautifully, and we're already enjoying our class text 'The Black Hat'. In Maths, we're focusing on money before moving on to height and length. In Geography, we're exploring Australia and discovering how it differs from the UK. Later this term, we're looking forward to our exciting trip to the Yorkshire Air Museum! This will support our history learning about aviation pioneers such as the Wright brothers, Amelia Earhart, and Amy Johnson.

### **General Information**

**PE** – This term, the children have their PE lessons on a Friday afternoon. The children have both an indoor and outdoor PE session on a Friday. Due to the weather PE days may change, so please leave your PE kit in school for the half term. Please can you provide your child with warm PE kits such as long PE trousers and a jumper. PE kits are white t shirt and black shorts, warm clothing for colder weather and an appropriate change of footwear.

**Home reading** – Children need to continue to read at home as part of the home school agreement. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, if they read books that they have selected independently, or news articles that they have found interesting, then we want to hear about it. The children will receive their reading record and home reading book on Friday for them to be safely returned on the following Thursday.

Thank you for your continued support, Miss Dale
