EYFS Newsletter – Autumn Term

The children have settled into Foundation Stage really well! They are getting used to the routines of the school day and all the adults are very proud of them. They are able to access continous provision along with some short phonic and maths lessons. We are focusing on numbers to 5 in maths representing them in different ways, making them and counting objects. In phonics we are using Read Write Inc and are currently focusing on the initial sounds.

Uniform- Please make sure all uniform is labelled with your child's name. We have a few red cardigans and jumpers with no name in them. If you see the box outside the classroom door, please have a look if you are missing any.

Water bottles and snacks- Please bring a named water bottle into school each day so your child can self-access a drink whenever they need one. Your child does not need snacks in their bags for school; we provide fruit and milk for them in a morning.

Wellies and spare clothes -Please could you bring in a pair of wellies to stay at school, so that your child can access the outdoors in all weathers. It would also be helpful if you popped some spare clothes in your child's bag so that if they get wet, they can be changed.

Tapestry- You should have received an email regarding activating your Tapestry account. Tapestry is the way we will communicate with you to share what your child is doing in school and any "Wow" moments they have. You can upload accomplishments at home such as riding a bike, zipping a coat up independently etc as well.

Home reading – You will shortly receive a Set 1 Sounds Booklet which shows the initial sounds we are working on in school. I have attached an information booklet for parents to tapesty. Your child will receive a sounds blending reading book when they have been assessed.

Thank you for your continued support in making your child's transition to St Nicholas Primary School a positive and smooth process.

Mrs Derrick
