Year 1 Newsletter – Autumn

The children have started their journey into Year 1 with such a postive attutude! They are able to access continous provision along with some short, more formal lessons. This is really helping them with the transition from Foundation Stage into Year 1.
In writing, we will be learning about 'The Three Billy Goats Gruff' and practising their letter formation skills.

In our maths lessons, we have been sorting objects into groups based on their characteristics, and we have been counting amounts within 10.

In science, we are learning about the seasons. We are exploring the weather and how the environment around us changes during the autumn and winter seasons.

The children have also voted for their class councillors! They will represent us at school council meetings, deliver important messages and in-class assemblies to the class and be role models to us all. Well done!

General Information

PE – PE lessons may change days throughout the term. Therefore, we advise that PE kits are left in lockers for the whole week. The children have both an outdoor and indoor session on this day. As the weather will be getting colder, please can you provide your child with warm PE kits such as long PE trousers, a jumper and trainers.

Home reading – Children need to continue to read at home as part of the home school agreement. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, they will bring home a reading for pleasure book with their phonics book on a Friday, or they can read books they have at home which interest them. The children will receive their reading record and Read, Write Inc book on Friday for them to be safely returned on the following Friday.

Thank you for your continued support,

Miss Gibbins, Miss Thompson, Miss Otaru and Mrs Priestley
