

Year Two Newsletter

The children have settled into Year 2 wonderfully and have quickly adapted to the routines of the new school year. We are thoroughly enjoying reading our class text, *The Dinosaur Department Store*, and learning about the human and physical features of the countries within the UK in Geography. In History, we have been exploring the past by investigating what life was like for children in a Victorian classroom and comparing the similarities and differences between then and now. In Maths, we have been focusing on place value and developing our understanding of numbers within 10.

I am incredibly proud of how they have started the year and look forward to watching them grow in confidence, flourish, and achieve their full potential throughout the year ahead.

General Information

PE –. The children have both an indoor and outdoor PE sessions every week. Children should bring their PE kits to school and leave them in their lockers until the end of the half term. PE kits are white t shirt and black shorts, warm clothing for colder weather and an appropriate change of footwear. As towards the end of the term the weather will be getting colder, please can you provide your child with warm PE kits such as long PE trousers and a jumper.

Home reading – Children need to continue to read at home as part of the home school agreement. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, they will bring home a reading for pleasure book with their phonics book on a Friday, or they can read books they have at home which interest them. The children will receive their reading record and Read, Write Inc book on Friday for them to be safely returned on the following Friday.

Thank you for your continued support, Miss Dale
